Dear Commissioner:

The purpose of this document is to make of record the substance of an interview between Examiner Sarah Suereth and the undersigned. Examiner Suereth contacted the undersigned today, April 22, 2008, and suggested that the present application covers the same inventions called for in U.S. Patent Application No. 11/262,130 ("the '130 application") and U.S. Patent No. 7,073,429 ("the '429 patent"). Examiner Suereth indicated her intention to re-open prosecution to explore the potential for double patenting. To avoid unnecessary delay, and to expedite allowance and issuance, the undersigned volunteered to file the terminal disclaimers which are attached hereto.

**The Applicant believes that a single terminal disclaimer filing fee is required for submission of this document. You are hereby authorized to deduct any required amounts**
